# The Communicator

## FROM YOUR EDITOR

Welcome to the eleventh year of "The Communicator"! In this issue, we have an encouraging educational message from our President for the New Year; a very informative and insightful exchange of e-mails in 'Our Group on E-group'; a rather 'sticky' re-appearance of 'Rodico Man'; a watchmaker brain teaser & quiz; some thoughts on the Micro-set

Timer and 'cloud computing' by Stan Palen; a quick review of a virtually unknown ultrasonic tank; and a book review by Billy Best. Enjoy our newsletter!

Punxsutawney Phil did NOT see his shadow this past month at Gobbler's Knob, so here's to hoping he is infallible. If you have an interest in writing a column or submitting an article, please contact me. Our editorial deadline for the June Issue #44 is May 1st, 2011.
